Technical Skills & Technologies

Javascript-ES6, HTML5, CSS3, React, Redux Toolkit, Redux Toolkit Query (RTK), Axios, Git, Tailwind CSS, Context API

Experience

Weather Forecast

- Developed a responsive web application to display current, hourly, and multi-day forecasts for user location and searched cities.
- Implemented city search with real-time suggestions and keyboard/mouse navigation for improved usability.
- Leveraged React for UI development and Redux Toolkit Query for efficient API data handling and global state management.
- Designed a responsive UI with Tailwind CSS, enhancing accessibility across devices.
- Improved user experience by integrating loading skeletons, modals, and robust error handling.

To Do List App

- Built a responsive task management application enabling users to add, complete, and delete tasks.
- Applied React Context API for streamlined state management and reduced prop drilling.
- Designed a clean, responsive interface ensuring usability on desktop and mobile devices.

Projects created by following online courses

Forkify

- Built a website following the Model-View-Controller (MVC) architectural pattern, applying Object-Oriented Programming (OOP) principles to structure code for maintainability and scalability.
- Implemented asynchronous JavaScript using Async/Await, Promises, Fetch API, and XMLHttpRequest, effectively managing asynchronous operations and enhancing JavaScript functionality.

Omnifood

- Engineered a fully responsive website with HTML5, CSS3, and vanilla JavaScript, delivering an efficient and cross-device compatible website.
- Implemented semantic HTML and SEO best practices to improve search engine visibility and enhance overall online discoverability.
- Ensured accessibility compliance by following inclusive design principles, providing a user-friendly experience for a diverse audience.

Education

Anadolu University, 2027
Associate Degree in Web Design and Coding

Istanbul University, **2023**
Bachelor's Degree in French Language and Literature

Certificates

HackerRank CSS Certificate

Git & Github Training Certificate

JavaScript & Front-End Development Certificate
